RUSH LAKE PROJECT – The most recent meeting of the Rush Lake Watershed Restoration, Inc. (RLWRI) was held September 17, 2015. Recent discussions and future actions are being considered regarding establishing and maintaining a healthy muskrat population. The rats could be a very effective cattail control tool. Discussion was also held regarding possible future changes in the water level on the lake. If you are looking for a good cause for a tax deductible contribution – you may consider RLWRI. The next meeting is scheduled for Thursday, January 21, 2016, at 7:00 p.m. at the Waukau Youth Center. Please contact the Rush Lake Watershed Restoration, Inc. Directors from the Town of Nepeuskun for more information and upcoming meeting dates: Brett Helmbrecht, Bob LaBuda and Ron Bahn. Visit the website <http://www.rushlakewi.com>

CHARGES FOR FIRES – Be aware that you as the landowner will be billed for fires on your property, whether it is from intentional (controlled burn of any permitted material) that should get out of your control, or an accidental fire that started due to unknown or unforeseen causes. The charge for an accidental fire is \$500.00. This amount was arrived at by the fact that most all fire insurance policies will pay this amount. An intentionally lit fire may have some coverage by insurance, but certainly varies by situation and the insurance policy itself. Nepeuskun has billed for 1 intentionally lit fire so far in 2015. This compares to 4 such fires in 2014. **THE LANDOWNER IS RESPONSIBLE FOR THE FULL COST OF PUTTING OUT AN INTENTIONALLY LIT FIRE THAT THE LANDOWNER CANNOT CONTROL. ALSO BE SURE TO CALL WINNEBAGO COUNTY DISPATCH BEFORE AND AFTER YOUR INTENTIONAL BURN AT 920-236-7300. PLEEEEEEEASE BE CAREFULL!!!!!!!!!!**

MUNICIPAL CODE REVISIONS – Nepeuskun has recently made some revisions to its Municipal Code. Effective date of the revisions was August 6, 2015. A copy is available on the Town website <http://www.townofnepeuskun.org> or from the Town Clerk.
