At the request of renter of parcel #014017902 following the October Board meeting a delay in initiating the formal notices for zoning violation and Junk Ordinance violations were postponed pending removal of trailer and materials that were in violation. As evidenced by pictures (exhibit 2) progress has been made in clean up and removal. Two of the eight unlicensed vehicles have been removed, an area approximately 50'X100' has been cleared and the mobile home is in the process of being dismantled.

Monitoring of continued progress toward compliance is planned with follow up letter to the land owner and renter identifying progress and what needs to be accomplished to comply with all ordinances. If progress continues the land owner's formal notification of ordinance violation will be held until the December Board meeting with approval of the Board.
