James Pruss Parcel# 0140710 Fee paid \$250

Zoning Administrator Trochinski reviewed current mobile homes within the Town to verify they are all conforming or have plans for removal if conditional use permits have expired.

Discussion was held regarding CUP #27 (7/15/1991) for Wayne Kaufman. Contacts and research was completed. Mobile home can remain as long as someone who earns substantial income from farm operations lives in the mobile home. Zoning Administrator Trochinski contacted Wayne Kaufman regarding culvert and ditch cleaning work. Mr. Kaufman plans to remove soil from ditch but does not intent to replace culvert at this time.

He is also working with Les Auchterberg, who is planning to raze current home and reconstruct a barn from another location to create a new home. Mr. Auchterberg can apply for a zoning permit with the provision that would allow him to live in a manufactured home for one year while permanent dwelling is under construction.

LeDoiyt CUP renewal concerns were address with Kris LeDoiyt and his staff. Zoning Administrator Trochinski was satisfied with information provided.
